

School – Excel Tennis Academy Agreement

This agreement is in place to ensure:

- There is work in partnership towards common goals, combining resources to evaluate progress, measure success and access further support and funding
- There is clarity of understanding in terms of roles, responsibilities, expectations and vision.
- That schools and the Excel Tennis Academy can be confident about the safety of young people and the quality of provision.
- There is quick and easy referral, both in terms of providing pathways for young people and club to school contacts
- There is development of PE and sport in school (in curriculum time and out of school hours) and in clubs that ensures that all young people have access to opportunities.
- There is planning for sustainability in terms of engagement of young people, growth and the quality provision
